Student Enrollment	388	376	355	<ul style="list-style-type: none"> We continue to have parents come to enroll their scholars at such a late date in the school year. Our concern is that the scholars often don't have transfer grades, and we are unable to give them credit if they've been in school. Many of them have not been in school for a while or have had significant discipline issues at other schools. 	<ul style="list-style-type: none"> As we move toward the end of the school year, we will be hosting an Open House for prospective new scholars on Thursday, May 22, 2014.
Student Attendance	92%	91%	91%	<ul style="list-style-type: none"> Drop Outs: 0 Withdrawals: 20 Admissions: 9 	<ul style="list-style-type: none"> We continue to contact parents daily through our student information system when scholars are absent, and this has been extremely helpful in ensuring we get excused notes and phone calls when scholars are absent.
Student Suspensions	168	132	125	<p>Suspensions: Total=125</p> <ul style="list-style-type: none"> 1 Day Suspension= 58 3 Day Suspension= 33 5 Day Suspension= 10 10 day Suspension= 24 Expulsions= 2 Our suspensions continue to decrease each month as we continue to focus on scholar culture. AHS will continue to monitor and address trends in student suspensions data. <p>Major Infractions: There have been no major infractions this month.</p>	<ul style="list-style-type: none"> We developed a mentoring program for our middle school girls that is led by some of our high school girls. Mentoring is held each Wednesday from 8:00-8:30 in our west gym, and the mentors prepare for these sessions each Monday morning from 8:00-8:30.

Other				<ul style="list-style-type: none"> 	<ul style="list-style-type: none"> We continue to use data to inform and drive our academic decision-making. This is most evident during our targeted instruction (TI) time. Our teachers give our scholars a pre-test at the beginning of a TI cycle to see what scholars know and are able to do as it relates to a particular standard. At the end of the cycle, teachers give a post test and are able to track scholars' growth on that particular standard.

We will continue to try to fill these positions. The Tindley Accelerated Schools will be hosting a hiring fair on Thursday, May 15, 2014, and Arlington High School will be participating in the fair. We continue to work to find ways to retain our best teachers. We will continue to work with the network staff to develop ways to keep our best teachers and staff on our team.

EL Students	9	9	9		The significant rise in ELL scholars is based on the number of scholars the state had enumerated that we needed to test of LAS Links testing. Prior to receiving this data from the state,
